## Why Zonal

Zonal is the UK's no.1 hospitality tech provider, serving over 17,000 businesses to enhance efficiency, manage costs, and increase revenue. Our seamlessly connected tech ecosystem provides our customers with unparalleled operational control and insight, while over 200 integration partners give customers the flexibility to create their ideal tech stack.

## Product overview

Take your communications to the next level. Dimensions Publisher is an intuitive tool that puts you in charge of the distribution list for every report you produce, ensuring you deliver the right data to the right people in the right format.

### Significant time savings

Control the precise day and time when reports are published, with easy-to-update settings and minimal maintenance required.

### Insight where it's needed

Set up distribution lists to ensure the right members of your team are receiving the right information, empowering them to identify opportunities for business growth.

### Identify opportunities for improvement

Distribute reports on everything from potential mistakes being made by staff, to the performance of promotions, helping you and your team react quickly to areas that may need improvement – or to capitalise on something that's working well.

Begin your Zonal journey.
