

Using liveRES meant we could
 we had full control over volume
 protect ourselves from any potential
 negative customer experiences due
 to overbooking, which in turn led to
 a totally successful launch.

Adam Pierce
 Founder, Butcher & Catch

UK

- Enable customers to make bookings online 24/7 from any device, at any time.
- Bookings are made in real-time reducing the number of double bookings and errors made.
- Reduce the number of no-shows by sending and reminders.
- Increase customer engagement by customising your booking widget and
- Control the volume of bookings that can be made
- Get full insight into customer behaviour and trends with tight integration to Zonal's full suite of technology solutions.
- reservations without having to pay large bills at the end of the month.
- your customers want and expect.*

45% of consumers prefer to make their bookings online*
